DESCRIPTION 87seconds is a Brussels based creative agency, specialized in the creation of corporate animated videos. Our videos can be used for different purposes, such as for organisations to increase their visibility and digital presence through external communications, or to facilitate engagement and comprehension of internal communication tools (trainings, internal news, eLearning, etc.). Start-ups, SME's, multinationals, ngo's, public organisations and agencies turn to 87seconds for presenting their business in a clear and understandable way, for product demos and tutorials, or for showcasing certain trends, figures, reports or surveys to their audience. Today, 87seconds' clients include global companies such as the European Commission, Daikin, Barco, PwC, KPMG, Solvay, Axa, Generali, Clear Channel, etc. Our services are brought to our clients by means of an intuitive collaboration platform, in order to streamline the video production and collaboration with the client, and guarantee a cost- and time-efficient solution.

SPANISH LOCAL AGENCY PARTNERSHIP

We're looking to open an office either in Barcelona or Madrid. On top of the recruitment of our Country Manager, we're looking for local partners for our video production: other agencies that can be resellers, video producers, commercial partners etc.

Looking forward to discuss!
